Your letters of 15 and 19 August 2016

Dear Mr Bernavschi,

I hereby acknowledge with thanks your letters of 15 and 19 August 2016 and the copy of the official decision in relation to AITA's office bearers.

I have taken note that you have been reconfirmed in your function of President of the association and that Mr Grigore Barbanov has been appointed Secretary General ad interim.

I have given the relevant instructions regarding Mr Barbanov's signature in order to ensure the uninterrupted issuance of TIR Carnets in Moldova and our official records will be updated accordingly.

I look forward to IRU's continuous cooperation with AITA, and remain,

Yours sincerely,
